HARBOR/SOUTH BAY WATER RECYCLING PROJECT UPDATE

SUMMARY:

The following is an overview of current projects ongoing as part of the overall Harbor/South Bay Project.

Cal State University Dominguez Hills (CSUDH) Mainline Extension

Construction of the 12-inch PVC was completed this month. 24-inch pipeline installation has begun and proceeding on schedule. Construction is anticipated to be complete in January.

Victoria Lateral:

The Victoria Lateral Project is in the first stages of construction, which includes material approval and procurement, construction administration, agency coordination, and permit acquisition. Actual field construction is anticipated to begin in mid-December. Construction is expected to be completed in February 2003.

Madrona Lateral

Tetrattech Consulting submitted the final Preliminary Design Report this month. Final recommendations are currently under review by staff. Upon acceptance of proposed recommendations, design of the Madrona Lateral will be authorized by the Army Corps.

Environmental Assessment

Preparation of the Environmental Assessment is proceeding on schedule. A draft report is currently under review by staff. The final report is anticipated to be complete for public review in December 2002.

Construction Management / Community Outreach Services

Luster is the Construction Manager on both the Victoria Lateral and CSUDH Mainline construction Projects. Construction management services will continue throughout the duration of both Projects.
