

## Save Me!

By using recycled water for the stone washing process, Caitac can save **87,979,770 gallons** of drinking water each.

### Your Reward?

Using recycled water saves more than the green in nature. Caitac can save up to **\$101,958** each year by converting to recycled water.

Call Joe Walters @ (310) 660-6208

Converting to recycled water could save your business up to \$60,000 a year!
