ACTION CALENDAR

POLITICAL ACTIVITIES AND CLEAN ACCOUNTABLE GOVERNMENT

SUMMARY:

Since 2007, a number of requests to sponsor events for incumbent or candidates for state and federal offices have occurred. The Board began to address this subject last May when it rescinded an action that approved staff to direct West Basin's consultants to host an event. A member of the Ethics Committee requested that this subject be referred to the October Committee meeting.

In order to be consistent and have clarity on how employees and Board members can participate, a draft policy for participation in political activities including fundraising was submitted to the Ethics Committee for review. On October 17, the Ethics Committee reviewed the attached draft policy (Exhibit "A") and referred this item to the Board for consideration.
