## CONSENT CALENDAR

### RECYCLED WATER CUSTOMER DEVELOPMENT PROJECT UPDATE

#### SUMMARY:

This Board memorandum provides the monthly update on the progress of West Basin's pursuit of recycled water customers.

Redondo Union High School (35 AFY): This site was approved for connection by the Department of Public Health and was connected to the recycled water system on August 29.

The Aerospace Corporation (20 AFY): The site was connected to the recycled water system on September 4. The irrigation system will be expanded to a new building that is under construction. The expanded irrigation system is anticipated to be connected to the recycled water system before the end of this year.

Del Amo Medians (3 AFY): The medians were approved for connection by the Department of Public Health and were connected to the recycled water system on September 18.

Kobata Nursery (20 AFY): Staff is working with the site owner to develop the drawings required by the Department of Public Health. It is anticipated that the site will be connected to the recycled water system in January 2009.

Raytheon (84 AFY): Staff will design and construct a short service line to the entrance on Hughes Way to the Raytheon site. This additional service is required since the entire site irrigation system will be connected to the recycled water system. It is anticipated that Raytheon will implement the retrofit conversion in early 2009.
