To Board of Directors,

Hello, My name is Diane Craft. I am writing for my mother, Graziella Werhskopf. I am writing Because there has Been a Big mistake in the water charge for her Land, Ass. NO. 0004455005017. For the last 17 years she has Been overcharged yearly.

I started to inquire ABOUT this last Oct. 08.

My mother has Been ill so I started paying her tax Bill and noticed A large charge of 1,200.00 each year. I started calling around and finally spoke to Mr. Greg Ignancio in the Assessor's reg. office in Sylmar, Calif. I was then informed that the charge should Be 240.00 yearly not 1,200.00.

I have also spoken to Mary-Ann Rexroad at the West Basin water Dis. She told me,

"Its A County error, they put in the wrong use code". So she refunded the difference for 2008 after I PAID the full amount.

I am still waiting for the second half of the refund. My mother tried to get someone to help her with this, I have enclosed a letter she wrote asking for help. My mother is CANADIAN and does not understand some issues. My mother just Became a widow, with my father's passing, when this charge was imposed.

The 1,200.00 A year water charge has been a hardship on my mother. I am asking for my mother, Sraziella Weiskopf, a full refund of all monies that were unjustly charged her. Also there is an unknown charge on 1992, 1993 and 1994 called MUD WSD-14. The charge is for 1992 100.00, for 93 its 300.00 and for 1994 its 300.00. I asked Mr. Greg Ignancio what these charges are, he looked into it and does not know. These might also be a mistaken charge. Please send my mother a refund check to:
