

Congratulations, West Basin Organization

You are have been chosen by Nu-Earth Inc.
to receive its **"Go-Green" Award**

We would like to thank you, and the West Basin Organization, for the work you are doing to make our earth, and our community a better place to live. We would like to present to you our **"Go-Green"** Award, for your great work to educate the community about the importance of water conservation and environmental protection.

We also greatly appreciate your past support of the Nu-Earth "Save our Earth" Community Education Program, and do hope that you accept our invitation to receive this Award and look forward to further working with you.

As you may know Nu Earth is a company that is involved in finding ways to make the Earth's environment safe for now and for the future. Over the last two years our community based Out Reach Education programs have been a big success because of companies such as yours.

Nu-Earth will be holding its first annual **"Go-Green"** Awards program this September 23rd, 2010 In Paramount California, to award such companies as yours during EDUCATION month. We would like present this Award to you, and honor your company, during the evening of this special event

If you should have any questions, email us at TrentHarbin@aol.com or you can give us a call at one of the numbers listed below.

We look forward to honoring you at this Historic event.

Sincerely,
Trent Harbin
