WEST BASIN WEB SITE UPDATE

SUMMARY:

At the August 28, 2000 Board Meeting, your Board approved Epoch/Go Pixel as the Host and Web Developer for the West Basin Web Site. Upon discussion with members of the Web Site Committee, a design element was selected for the West Basin Web Site. Exhibit "A" is representative of how the Home Page will look. Please note that the hard copy artwork is at a low resolution, therefore, it lacks the sharpness of the actual onscreen Web image. Staff continues to coordinate design, layout, text, and photo content with Go Pixel. It is anticipated that the Site will be publicly posted by mid-November 2000.
