

SCHOOL ELIGIBILITY FOR FREE WATER EDUCATION PROGRAMS

The following public and private schools that serve 3rd -12th grade students are located in the West Basin Municipal Water District (West Basin) service area and are eligible to receive free water education programs and a complimentary school bus.

Due to a strong recycled water partnership with the City of Torrance, **all Torrance Unified School District campuses** are also eligible for free water education programs.

Contact the West Basin education coordinator at darrylr@westbasin.org if your school is not listed to verify your school eligibility.
