

**WEST BASIN MUNICIPAL WATER DISTRICT  
WATER BOTTLE FILLING STATION FUNDING PROGRAM  
LIABILITY WAIVER AGREEMENT**

West Basin Municipal Water District (“West Basin”) has developed a Water Bottle Filling Station Pilot Program (“Program”) to provide members of the community with access to safe and reliable tap water to refill personal, reusable bottles. West Basin will award grants – up to \$2,000 maximum per application – for the purchase of a water bottle filling station to entities located within our service area.

West Basin agrees to provide a sponsorship in the amount of up to \$2,000 to:

\_\_\_\_\_ (“Entity”).

The purpose of this sponsorship is for Entity to purchase a water bottle filling station under the terms and conditions of the Program.

West Basin’s only involvement in Entity’s activities in connection with the Program is to provide sponsorship funds. Subject to availability of funds, West Basin’s only obligation to any Entity participating in the Program is to provide the sponsorship amount for the purpose stated. West Basin is not responsible for any liability to any participants in the Program regardless of any liability incurred in connection with the Entity’s participation in the Program.

Entity assumes all risk of loss resulting from liability, damage, or injury to any property or person arising from the Program, including all risk of injury to its employees, agents, contractors, students, volunteers, and project participants. Pursuant to this Waiver of Liability, Entity shall defend, indemnify, and hold harmless West Basin, its Board of Directors, officers, employees, and agents from and against all claims, suits, or causes of action for injury to any person or damage to any property arising out of any intentional or negligent acts or errors or omissions arising out of Entity’s participation in the Program.
