## Our Mission

To provide a safe and reliable supply of high-quality water to the communities we serve.

## Who We Are

West Basin Municipal Water District is a wholesale water agency that provides imported drinking water to 17 cities and unincorporated areas of Los Angeles County throughout its 185 square mile service area. An innovative public agency, West Basin is a recognized leader in the production of recycled water, conservation and education programs.

# Small & Local Business Enterprise Program

**Small Businesses:** vendors can certify with the federal U.S. Small Business Administration or the California Department of General Services. The District also will accept certification from other authorized agencies within the state of California.

**Local Businesses:** a business located within the District's service area or within 25 miles from the District's Carson headquarters for a minimum of one year. Both SBE and LBE interested businesses must register through the District's online solicitation system to qualify.

Incentive Points	Proposals	Quotes
Small	3 pts	-3%
Local	3pts	-3%
Small and/or Local Subs	1pt	-1%
Total	7pts	-7%

# Small & Local Business Enterprise Program
